We have partnered with FlipGive, an easy, fast and free online fundraising that combines the convenience of online shopping with the best of online fundraising. Help us raise money by shopping online at FlipGive with popular brands and VREPTO will earn up to **50%** cash back on purchases from online retailers.

Purchase everyday items from retailers such as gift cards, school supplies, home goods, sporting products and much more! When you're ready to shop, start from the VREPTO FlipGive fundraising page.

Click through to your favorite stores and shop. It's that easy! It allows us the opportunity to reach beyond our community, neighborhoods, local businesses, and state line to reach out to others that may not be able to help us here.
